**Parth School, Vadodara**

Higher Secondary School Certificate (GSEB)

Apr 2020

**70%**

**Utkarsh Vidyalaya, Vadodara**

Secondary School Certificate (GSEB)

Apr 2018

**84.33%**

## Project Work

• **Portfolio (2024):** [\[Link\]](#) | *React.js, JavaScript, CSS3, HTML5*

A sleek, responsive portfolio showcasing my skills and projects. Features include a page flip effect, tilt effect using tilt.js, pre-loader, top-loader, feature tours using driver.js. The website also supports dark mode toggle and having playground area for fun. The site offers a seamless user experience with a clean design.

• **Thoughts (2024):** [\[Link\]](#) | *EJS, Node.js, Express.js, MongoDB, JWT, Multer, Electron*

It's a desktop social media application as well as a fully responsive website. Thoughts is a social media application featuring user registration/authentication, post creation/deletion, profile management, and social interactions like post likes/dislikes. It ensures secure routes with middleware for protected content access.

• **Discord-Bot (2023):** [\[Link\]](#) | *Node.js, MongoDB, Discord.js*

Feature-rich Discord bot using Node.js and backend library Discord.js, incorporating slash commands, scalable architecture, and various server-enhancing functionality like URL shortener and fun commands. Managed bot configuration, deployment, and command responsiveness to enhance user experience.

## Work Experience

**Tripearltech Private Limited, Ahmedabad**

Jan 2024 – June 2024

**Trainee Software Engineer**

- Mastered Business Central AL language at Tripearltech, a Microsoft Partner, enabling the development of customized ERP solutions that increased client operational efficiency by 25% and reduced manual processing time by 40%
- Worked on Candidate Management System (CMS) project using Microsoft Dynamics 365 Business Central and AL language.
- Business Central, AL, Postman, SQL

## Certifications

- **Career Essentials in Generative AI by Microsoft and LinkedIn (08/2023):** Successfully completed course. And covered some top skills like Computer Ethics, Artificial Intelligence (AI) and Gen AI.
